Sprint Retrospective

Sprint 12

(July 05, 2025 – July 08, 2025)

What went well:

- The remaining major feature, which is share to other social media website, is done.
- We have finalized the UI/UX design.
- collaboration with other groups.

What could be improved:

- Responsiveness of the UI.

What needs to be done:

- Preparation for defense
- Test the remaining features that haven't test yet.
