

Hershell

# Sprint Retrospective

## *Sprint 11*

*(June 28, 2025 – July 04, 2025)*

### **What went well:**

- There's a progress in our external share. Hershive can share to Heybleepi and vice versa.
- We are enhancing and fixing our website's UI.
- collaboration with other groups.

### **What could be improved:**

- Continue, polish, and finish the UI of our system.

### **What needs to be done:**

- Preparation for defense
- Finish share post to other group's social media website feature.
- Finalized the UI design.
- Finalized the website's feature functionality.
- Test our system.
